TEYSEER SECURITY SERVICES CO. W.L.L.

Teyseer Security Services is pioneer in the Security Industry in Qatar. It started its first operations in the year 1994 in Ras Laffan Industrial City.

Over the years, Teyseer Security has evolved in full adherence to the legal frame regulating the security activity in Qatar, as well as to the highest stakeholders expectations.

Teyseer Security is a complete security services company from Teyseer Group. We work in Strategic partnership with client organizations that are seeking a customized response to their security needs.

OUR MISSION:

Provision of the highest quality of security and consultancy services to our clients by implementing high standards, dilligence and empowered security professionals.

OUR VALUES:

SERVICE SPIRIT, TEAM SPIRIT, and SPIRIT OF PROGRESS are the Fundamentals of our values, Our Security Officers who, through their commitment and dedication personify Teyseer Security's unique values.

At Teyseer Security, we deliver concrete results by effectively combining high quality manned guarding security solutions.

TAKING CARE OF YOUR SECURITY NEEDS

DELIVERING HIGH QUALITY OF SECURITY SERVICES

We all have a need to feel safe at home and in our everyday working environment, be it a commercial operation, university, hospital, or a remote site. Today, getting the right level of security can prove to be complex and demanding, involving many legal requirements, constraints and challenges.

Teyseer Security can give you the protection and peace of mind you require for your organization, its people and assets

We design, manage and deliver blending technology and manpower; this places us in the unique position of being able to align our service delivery to your exact business needs; providing a fully bespoke service.

Our legacy is one of proven ability, successful partnerships and reliability, giving clients total reassurance.

We have a national footprint of contracts across wide-ranging client organizations in both public and private sectors. These include: commercial enterprises, healthcare, Oil & Gas and education. This demonstrates the diversity of sectors and contracts that we are involved in, where we have successfully deployed our network of specialists to support operations across the State of Qatar.

We believe that by supporting you, our client, in creating a safe environment, we can help you to optimize productivity and efficiency within your organization, allowing employees to feel protected and at ease.

We design and deliver fully-integrated security solutions to protect your organization, including people, property and assets, through:

- Electronic systems
- Biometrics/access control/CCTV
- Control room monitoring
- Crowd and event security management
- Mobile patrols
- Perimeter protection
- Investigations
- Risk assessments and consultancy
